

## **WFA Selection Process**

The following selection criteria is required to represent WFA in all local & National walking football competitions.

- All those willing to be considered for selection must be fully paid up members of their local club up and including the competition dates.
- Players must have demonstrated the character & teamwork attributes required to be both a good WFA representative & team player.
- Players must have participated in Club social games within 2 months of any competitions.
- Players must be at the correct age group by the commencement of the competition.
- Must be respected by their peers as both a good player and supportive team player.
- Any player suspended within 6 months of any competition will be deemed ineligible
- Players must adhere to all warm up / cool down standards to ensure we minimize potential injuries.
- Players must be able to cover all financial costs related to all interstate / International travel & accommodation.
- Must have full understanding of the rules of the game.
- Director of Football will hold extra team sessions to ensure team structure & strategies.
- WFA Committee & DOF will have final say on selection.

This is a guide to ensure we are all aware of the requirements to both play and represent WFA / Walking Football in general, we all want to have fun and return home safely.
